Description & composition

Very luxury monumental mansion (800m³), also suitable as a 2 family residence. Located right outside the Blankenberge centre. 100 meters away from the sea, 300 meters from the casino and 300 meters from the marina.

Built in 1887 and entirely renovated in 2003. The house is very luxurious and comfortably decorated. New kitchen with combi microwave, dishwasher, gas stove and fridge. Monumental dining room with mantel piece. Living room with TV, DVD player and hifi with CD changer. Bathroom with double wash basin, separate shower and whirlpool. 5 Bedrooms, 2 with TV (cable). Surface : 1x30m²-3x18m²-1x10m². 3 Toilets. Large courtyard with terrace.

Le cadre du logement & activités

The house is located right outside the centre of this modern sea-side resort at approx. 100 meters away from the promenade. There's no lack of entertainment in Blankenberge. There are numerous restaurants & night life facilities, also many sport & leisure activities. The dunes can be reached within a 10 minutes walk. The hinterland lies at walking/cycling distance and the city of Bruges is located at approx. 10 km away. The coastal tram takes you from Knokke to De Panne and all places in-between.
