Description & composition

Everything is on the ground floor: large hall, spacious living room with fitted open plan kitchen and appliances, 4 large double bedrooms, 2 luxury bathrooms with bath, showers, wash basins and toilets. Satellite TV with Dutch channels (altogether up to 200).

Enjoy the illuminated swimming pool in the garden!

Hungary has a continental climate with 2000 hours of sun/year, in comparison to the Netherlands 1000 hours, identical to Spain and Italy. The months of May and June are great summer months, September and October as well.

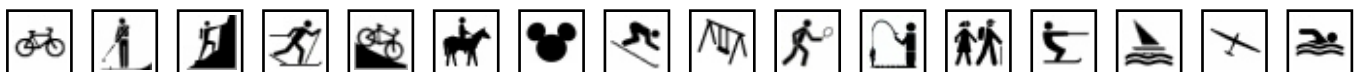

Le cadre du logement & activités

Located directly at the Neusiedlersee (Lake Neusiedl) and a national park, 2 km away from healing springs, natural springs and thermal springs. In winter it is possible to ski.

Large amusement park for children (Marschenpark), close to golf, tennis, bathing, surfing and cycling in the nature reserve and alongside Lake Neusiedl (124km in circuit), horse riding and luge track close by. Visits to castles, monuments, beautiful buildings and picturesque alleys. International Haydn festivals and music festivals every year, orchestras and choirs from all over the world come here to perform.

Should you be interested in buying an affordable holiday home, please ask for the possibilities. The returns are good in Hungary - the future holiday country!
