Le cadre du logement & activités

The region with the most overnight visitors is the tourist area of Klopeiner Lake/ Südkärnten. This region is also Austria's 'best recommendation' for sporting activities such as biking, hiking, golf, cycling and even climbing through an old mine (cleat biking). Whether hiking trails, mountain tours, seascape or natural parks - the offer is huge. 7 lakes with the best quality of drinking water, water temperatures to 28 C and the most hours of sunshine, guarantee a wonderful bathing experience for both young and old. The environs are situated at an altitude of 440 to 2,139 meters above sea level and offer 800 kilometers of trails, ideal for the active tourist. Only 30 km from Klagenfurt (eg Minimundus), surrounded by nature, are Völkermarkter Reservoir and Turnersee Klopeinersee. Here you will find absolutely everything - even diving and wind surfing are possible here. In the evening stroll along the promenade around the St.Kanzian - the only one in Austria which circumvents an entire lake!
