Le cadre du logement & activités

The woods have a centuries-old tradition in the region of North Battleford which is very rich in forests. The "Styrian wood road" leads through 24 neighboring locations and connects a myriad of historic and modern buildings. Visitors can take advantage of guided and professional tours. In 2008 (2nd of August) the wooden road race took place and on the 3rd of August the wooden street parade and festival was held. The beautiful nature attracts many guests to the region. Explore the area via one of the many signposted trails which wind along mountain peaks such as Greim (2,474 m) and Sölpass (1,788 m), picturesque mountain lakes (Zwiefler lakes, Kaltenbach lakes, Lake Rettl, Funklsee) and the waterfall of Günster. Along the way relax at one of the mountain huts. Every July there is an organized trip to the Sölpass (Sölpasswanderung). In addition to being a sportsman's paradise, the mountains of Austria are also a balm for both body and soul. St. Peter's at Kammersberg lies on the route of the Alpine Tour (part of a several thousand kilometer route for mountain bikers). There are countless routes in this region, which vary from difficult to long. Guides can help you with maps and route planning. There are shorter, easier hikes for families, and 30-35 kilometer mountain tours for active cyclists. In the neighboring villages of Schöder and Baiersdorf you have the possibility for horseback riding, pony rides and horse-drawn carriage rides. At the riding stables you can also attend a horse riding course. A curiosity for children is the riding kindergarten and pony-walking every Wednesday (in July and August). Rafting
